Fiorente Lodge records

How to view records:

Use the tables below to locate items you wish to view. Once you have located desired items, note the microfilm reel number in the far right-hand column. Microfilm reels are located in the Archives of Ontario Reading Room, or may be ordered through the Archives of Ontario Microfilm Interloan Service. **Photographs** in this series have **not** been filmed and may be viewed in the Reading Room.

Records from this series have been arranged by type (e.g. Correspondence, financial records, pamphlets, etc.)

At the time this series was microfilmed, each record type was assigned its own unique **reference code**. For example, Fiorente Lodge correspondence was assigned the reference code F 4378-14-1, and Fiorente Lodge financial records were assigned the reference code F 4378-14-2. When using the microfilm, you will notice these codes on **targets**, or guiding footers, below each individual page of the film. Please use these to orient your search through a microfilm reel.

The following records can be found in this series:

- Correspondence (F 4378-14-1)
- Financial records (F 4378-14-2)
- Membership lists (F 4378-14-3)
- Membership admission forms (F 4378-14-4)
- Insurance records (F 4378-14-5)

- Pamphlets (F 4378-14-8)
- Minutes (F 4378-14-9)
- Photographs (F 4378-14-10)

Most items have been microfilmed in the same sequence that they appear on this list. There are some exceptions to this. **If an item does not appear on the microfilm in the same sequence as the list, consult a Reference Archivist.**
